

TOM CLARK'S BIO

Originally from Milwaukee and currently living in Los Angeles, Tom Clark is the ultimate fish out of water. His act deals with him trying to be a nice guy in a not so nice world. From the people who use those annoying "air quotes" to the guy whose been calling you the wrong name for the last six months, Tom has his own unique way of handling the situation. His closing bit is the ultimate callback and has been called "one of the best in the business".

Tom has performed stand up at clubs, colleges, and corporations across the country and he has made appearances on such shows as **Comedy Central's "Premium Blend"**, CBS's *"The Late Late Show with Craig Kilborn"*, NBC's *"Late Friday"*, and *"National Lampoon's Funny Money"* on the **Game Show Network**. In addition, he has done freelance writing for *"The Man Show"* on **Comedy Central**.
